

Attention Intermediate Junior Tennis Players

Do you have a junior tennis player looking to play other junior players? Now is your chance! Any intermediate junior is welcome every Friday afternoon from 3:30 to 5:30 at the Aviary facility.

We play hard and have fun for two solid hours. There is no cost to participate. The priorities of the program are Fun, Etiquette, and Competition.

If you have kids, or know of kids who would like to play, please drop Dave MacVean an email at dmacvean@yahoo.com, or bring them by the club on a Friday.
